## Visitor's Class Begins Sunday, August 6<sup>th</sup>

We are delighted to have many visitors with us this summer! There will be a Visitor's Class offered August 6<sup>th</sup>, 13<sup>th</sup>, and 20<sup>th</sup> at 9:45AM in Room 122 (just outside the sanctuary hall entrance). This class, taught by Pastor John, will offer participants a chance to share their faith story, learn about our denomination, and learn about our particular church. Following the class, those that wish to will be prepared to meet with the Session on August 21<sup>st</sup> and be received into the membership of the congregation.

Our Book of Order states that "Membership in the Church of Jesus Christ is a joy and a privilege. It is also a commitment to participate in Christ's mission. A faithful member bears witness to God's love and grace and promises to be involved responsibly in the ministry of Christ's Church. Such involvement includes: proclaiming the good news in word and deed, taking part in the common life and worship of a congregation, lifting one another up in prayer, mutual concern, and active support, studying Scripture and the issues of Christian faith and life, supporting the ministry of the church through the giving of money, time, and talents, demonstrating a new quality of life within and through the church, responding to God's activity in the world through service to others, living responsibly in the personal, family, vocational, political, cultural, and social relationships of life, working in the world for peace, justice, freedom, and human fulfillment, participating in the governing responsibilities of the church, and reviewing and evaluating regularly the integrity of one's membership, and considering ways in which one's participation in the worship and service of the church may be increased and made more meaningful."

Church membership is an exciting things, and allows you to live your faith to the fullest! Come discover the ways this church can help you grow in faith, witness, and service. -Pastor John McKinnon, (405) 525-6584

## Church Environmental Policy Moves Us to Wash Dishes!

About this time last year, the Session adopted an environmental policy for the church upon the recommendation of Mission Council and Creation Care Team. The environmental policy recommends recycling, reducing energy consumption, and reducing our carbon footprint. One way to uphold the church's environmental policy is recycling at church events. Our efforts have shown that this can be quite confusing as some plastic articles are not labeled, recycling requirements are not always clearly communicated, and individuals are carrying recyclables home to be recycled in their own residential bins, with different communities adhering to different recycling standards. (Currently there is no curbside recycling available to the church.) We do know that less energy is consumed by using recyclables than producing new goods, so Creation Care Team is trying to make it easier to recycle at church. We appreciate your patience as we work toward a more effective process!

Another way to uphold the church's environmental policy is to use real dishes and utensils at church events, which requires washing dishes. We have a dishwasher that takes only 90 seconds to wash and sterilize a large load of dishes! It is not difficult to use. Creation Care Team has offered training on use of the dishwasher to groups that are in charge of church events that involve serving food. Although our small number of Creation Care Team members cannot attend every church event to wash dishes, we are happy to show others how to operate the dishwasher. Please contact Creation Care Team by leaving a message with the church office to request assistance with the dishwasher.

We are getting positive feedback from church members who enjoy using real plates, glasses, and utensils for church meals. Presbyterian Women just funded the purchase of 100 ceramic bowls, so that church meals may include soup as the main course. Surely soup tastes a little better in a ceramic bowl than in a Styrofoam one! Creation Care Team thanks you for learning with us as we move toward more responsible stewardship of creation. -Creation Care Team

Thanks to all who encouraged, prayed for, or donated to our Uganda Mission Team. Hope increased as the Gospel was spread throughout the village homes, schools and prisons. Seen here are some of the recipients of the 350 mosquito nets we were able to provide!

## Volunteer With Us at Infant Crisis Services

Our Reserve the 3<sup>rd</sup> community activity takes us to Infant Crisis Services, 4224 N. Lincoln Blvd. As our church historians recall, Infant Crisis Services (ICS) started as a service project of a Westminster Presbyterian Church Sunday School in 1984. It was housed in the back of the 2<sup>nd</sup> Presbyterian Church at NW 10<sup>th</sup> and McKinley (in conjunction with Presbyterian Urban Mission). Since that time, ICS has provided formula, food and diapers to over 200,000 babies and toddlers, approximately 1500 each month. On Saturday, August 19<sup>th</sup> from 10:00 a.m. to 12:00 p.m. we have the opportunity to bundle diapers, sort clothes, and stock shelves in the (climate-controlled) warehouse. Please consider spending two hours helping a FPC Mission partner fulfill their goal that “no baby should go hungry.” For more information or to sign up, please contact Elizabeth Hatcher, [elizhatcher@gmail.com](mailto:elizhatcher@gmail.com).

**SPARK tutoring will resume Wednesday, August 23<sup>rd</sup>. Orientation for new tutors August 16<sup>th</sup>.** Please contact Director Tish Harrison, [tish@fpcokc.org](mailto:tish@fpcokc.org) or Elizabeth Hatcher, [elizhatcher@gmail.com](mailto:elizhatcher@gmail.com) for more information.
