sing for joy to the living God.**

\*PRAYER OF THE DAY (Unison)

**Fill our worship with grace, Lord Jesus Christ, that every thought, word, and deed may be acceptable to you. By your power may we, with all the saints, comprehend the breadth and length and height and depth of the love of Christ that surpasses knowledge, so that we may be filled with your fullness, our Rock and our Redeemer. Amen.**

## 643 Now Thank We All Our God

1 Now thank we all our God with heart and hands and voice,  
 2 O may this bounteous God through all our life be near us,  
 3 All praise and thanks to God, who reigns in highest heaven,

who wondrous things hath done, in whom this world rejoices;  
 with ever joyful hearts and blessed peace to cheer us;  
 to Father and to Son and Spirit now be given:

who, from our mothers' arms, hath blessed us on our way  
 and keep us in God's grace, and guide us when perplexed,  
 the one eternal God, whom heaven and earth adore,

with countless gifts of love, and still is ours to-day.  
 and free us from all ills in this world and the next.  
 the God who was, and is, and shall be evermore.

Although this hymn is often used on large and festive occasions, its first two stanzas had much humbler beginnings: they originated as a family table prayer during the Thirty Years' War (1618–1648). These words have been associated with this tune since the mid-17th century.

**\*CALL TO CONFESSION**

**\*PRAYER OF CONFESSION (Unison)**

**Lord of Heavenly Multitudes, we confess that we are a spiritually lazy people. We lack endurance in the race of life. You both promise and model suffering as the way of the faithful but we insist that our faith should shield us from all difficulty. Forgive us when we are self-centered and entitled; forgive us when we expect special treatment because we believe in Jesus; forgive us when we fall away from you instead of recognizing the opportunity to know you more intimately in times of suffering.** (silent confession)

**\*ASSURANCE OF PARDON**

**\*PASSING OF THE PEACE**    Let the peace of Christ rule in your hearts.  
To this peace we are called as members of a single body.  
The peace of Christ be with you. **And also with you.**

**\*HYMN OF RESPONSE 582**    *Glory to God, Whose Goodness Shines on Me*                      GLORY TO GOD (Vasile)  
*Glory to God, whose goodness shines on me,*  
*and to the Son, whose grace has pardoned me,*  
*and to the Spirit, whose love has set me free.*  
*As it was in the beginning,*  
*is now and ever shall be. Amen.*

The Apostles' Creed

**I believe in God, the Father Almighty; Maker of heaven and earth,  
and in Jesus Christ his only Son, our Lord; who was conceived by the Holy Ghost,  
born of the Virgin Mary, suffered under Pontius Pilate, was crucified, dead, and buried;  
He descended into hell; the third day he rose again from the dead; he ascended into heaven,  
and sitteth on the right hand of God the Father Almighty;  
From thence he shall come to judge the quick and the dead.  
I believe in the Holy Ghost; the holy catholic church; the communion of saints;  
The forgiveness of sins; the resurrection of the body; and the life everlasting. Amen.**

# Greetings from the Pastor

---

Grace and peace to you in the name of our Lord and Savior, Jesus Christ.

As I think back on 2025 in the life of First Presbyterian Church, I am deeply grateful for the ways God has been present with us through worship, service, and care for one another. This year has brought both joys and challenges, yet in all areas we have continued to live into our calling as Christ's church in this place.

I am so grateful for the members of this congregation. I am richly blessed to have you as companions in Christ as we share in ministry. I am thankful for the partnership we share in ministry, for the leadership of the Session, the faithfulness of the deacons, the dedication of staff and volunteers, and the commitment of the congregation as a whole.

Worship remains at the heart of our life together. It is a true privilege to plan and lead weekly worship alongside such gifted musicians, liturgists, and worship leaders.

There have been many special moments in 2025, as we gathered for worship during ordinary times of the year and for special services during Advent, Christmas, Lent, Holy Week, and Easter, as well as for services of remembrance, weddings, and funerals. These occasions reminded us of God's presence in every season of life.

Thank you to an amazing choir and music staff. I am grateful beyond words for your contributions to the spiritual and worship life of our congregation. You are each a tremendous blessing to us all.

Our congregation continued to express its faith through mission and outreach locally, nationally, and globally. I am encouraged by the generosity and commitment shown in mission partnerships and service opportunities. These efforts reflect our Reformed conviction that faith is lived out through love of neighbor and care for God's world.

2025 was a year of commissioning mission teams to serve on behalf of the church at Camp Ferncliff in Arkansas and in the Czech Republic. In addition to that work, I continue to be inspired by the many members from the church who contribute to our local community through Reserve the Third activities, volunteering at hospitals, or serving on local boards that meet the needs of our neighbors and enrich our community.

As we look to the coming year, I am excited! I see opportunities for renewed engagement, deeper relationships, and continued faithful witness in our community. My prayer is that we will continue to discern God's call together, trusting not in our own strength but in the strength of the Lord and the guidance of the Holy Spirit.

Thank you for the privilege of serving as your pastor. It is an honor to walk alongside you in worship, service, and care. I give thanks to God for each of you and for the ministry we share.

Pastor John

# Clerk of Session

---

The primary duties of the Clerk are to record and preserve the minutes of Session meetings, maintain Church membership files, and provide information to other Presbyterian Church governing bodies upon request.

In addition, the Clerk is responsible for correspondence related to membership Certificates of Transfer, assisting with the Installation of Elders, Deacons, Trustees and the annual Nominating Committee, playing a role in services of baptism, and the welcoming of new members.

The Clerk is also responsible for maintaining records of deaths, marriages, membership, baptisms, and service records of Elders, Deacons, and Trustees.

In 2025:

- Completed the 2024 Annual Statistical Report to Presbytery/General Assembly
- Recorded minutes from 11 monthly Session meetings. Session did not meet in July.
- Recorded minutes of two Congregational Meetings:
  - February 2, 2025 – for the purpose of sharing the 2024 Necrology Report, approval of the 2024 Annual Report, presentation of the 2025 Budget, and approval of any changes to the Pastoral compensation package and terms of call.
  - October 19, 2025 – for the purpose of receiving and acting upon the report of the Nominating Committee for electing officers: Elders, Deacons, Trustees Class of '29 and the 2027 Nominating Committee.
- Distributed all Session minutes. Following approval, minutes were filed, becoming a permanent record of the Church.
- Played a role in six baptisms.
- Recorded seven new members who were received into the life of First Presbyterian Church of Oklahoma City.

# Director of Music and Arts

---

2025 was a wonderful year for the Music and Arts Ministries at First Presbyterian Church as we continued to give glory to God through our music!

All our ensembles—the Sanctuary Singers, the Sanctuary Ringers, and the Treble Choir—continued to grow in spirit and musical skill in 2025, and they served the congregation by providing engaging music for worship services throughout the year.

As ever, John Edwards makes excellent music in worship on a weekly basis. His tireless efforts to select pieces appropriate for the scriptures and liturgy provide meaningful musical experiences for the congregation. John also oversaw the completion of the Sanctuary organ restoration process, and he continues to maintain the four pipe organs and many pianos of the church!

I am very grateful to the soloists who have been the backbone of our choir program this year. After several years of dedicated service, we said goodbye to Cady Lewis and Jennifer Coffman in September, as they both moved on to pursue new career opportunities. We were sad to see them go, but grateful for the time they spent with us, and delighted that they will still be back to sing every now and then! Camryn Creech, Marina Quintanilla, Michael Johnston, and Ronn Burton continued their excellent work as section leaders and soloists. McKenzie Lofgren sang with us for the first half of 2025, and we welcomed Isaac Lynne and Lars Pollard as section leaders in January and Caitlin Towell and Sarah Gwatney in September. Sarah also took over the leadership of the Treble Choir after Cady Lewis's dedicated service, and we're grateful to them both for teaching our young members the joy of singing!

Several members of our community have played instruments in worship, including Jim Borgstadt, Linda Bosteels, Seth Johnson, Michael Johnston, Isaac Jones, and Karen Schiler. The Blackwelder Brass augmented our worship in the spring and fall, and the Oklahoma Scottish Pipes and Drums joined us for Reformation Sunday. And, of course, John Edwards played a variety of flutes and whistles to augment many worship services.

The Kemp Concert Series presented an exciting season of concerts in 2025: to celebrate the restoration of the Sanctuary Organ, we presented two installments of the 4x4 Organ Concert, one in February and another in September, and in May we welcomed Glenn Miller who gave a delightful program mixing his skill at the organ with his remarkable low bass singing voice!

It continues to be a delight to witness the joy that this congregation takes from music in praise of God, whether we are together in person or in spirit through livestream. I am blessed to work with such a skilled and dedicated team, leading amateur and professional musicians alongside a congregation that praises God with every breath and sound!

# Deacons

---

The Diaconate is called to care for the congregation. We do this by connecting with members several different ways.

We started the year off hosting the New Member luncheon with 24 new members. The Diaconate also arranged the annual Easter Brunch and Back to School lunch. We provide coffee and cookies in the reception area each Sunday morning. We handed out visitor gift bags to first-time visitors during the worship service.

## Care Connections

This year the Deacons visited 8–10 members with a Eucharistic visit five times. This is a time to serve communion and keep in touch with members who are unable to attend church. Each deacon contacted two to three members to keep in touch and let them know we care about them. They called, visited or sent cards. Each church member received a birthday card. The Deacons also compile a monthly prayer list of joys, concerns, and sympathy and send out prayer concerns to the prayer chain in times of crisis.

## Fellowship Opportunities

This year the Deacons provided a variety of opportunities for members to socialize. We attended three plays: OCU's production of "Head Over Heels," Edmond Memorial's "East of Eden," and Harding's "Our Town." The ever-popular river cruises were offered twice in the spring. Deacons organized the lunch and supper shuffles and added a popular brunch shuffle to the mix. It's a great way to get to know your fellow members, meet new people and enjoy good food! We added a new outing this year, the first annual SPARKLE Holiday Walk at Scissortail Park. Members met and walked through the light displays.

We send monthly financial support to Loving Hands Little Pantry and the Pastor's Discretionary Fund. This year we were able to give our two graduating seniors a check to support their college funds.

The ministry of the Diaconate is funded completely by donations from the congregation. Your gifts allow us to continue the ministry of the Diaconate on your behalf. Thank you!

# Worship Committee

---

The Worship Committee works with Pastor John to provide meaningful worship to the members. In the past year, the Worship Committee has done a number of things in conjunction with Pastor John and the Resources Committee to improve the worship experience. Chief among these was enhancing the already outstanding music program administered by Puffer Jones and John Edwards by filling some previously vacant Section Leader positions.

Additionally, Jeff Morava joined the Worship Committee and contributed greatly to First Presbyterian worship by recommending and overseeing major upgrades in our sound and video streaming capabilities in the Sanctuary and the Chapel. His thoughtful and diligent work has substantially contributed to a better worship experience that we will enjoy over the coming years.

A significant amount of the Worship Committee's time was devoted to documenting and updating regular worship activities, so past practices of such activities will be available for future Worship Committees to review and revise as necessary going forward. None of the Worship Committee's work could have been accomplished without the wonderful work of active elders, Kay Brown and Dorothy Hayes, whose wise leadership and willingness to step into any worship role, whether organizing Communion, recruiting Sunday greeters, or any other worship responsibility, made everything possible. I cannot thank them enough for their contributions during this past year.

You may have also noticed that the Worship Committee has renewed the practice of passing the collection plate in the last month, which had been discontinued during the COVID crisis. It is our intention to continue this tradition during the next year.

I would also like to thank the Deacons and specifically Bill Hancock who has prepared the gift bags for potential new members during the past year. I'm always delighted when visitors get a chance to enjoy the wonderful experience of worshiping in our church and appreciate us welcoming them.

Finally, I'm extremely grateful for the work of the longest-standing member of the Committee, Jean Nelson, who provided institutional knowledge of the Worship Committee and has been willing to step in wherever she could be of service. I'm proud of what the Committee has accomplished this past year and am excited to work with new Worship Elders, Mary Ann Doolen and Erica Taylor.

Please feel free to share any thoughts that you might have to improve our worship experience with either me or other Worship Committee members.

Chairperso Worship Committee

# Nurture Committee

---

Along with its other responsibilities, the Nurture Committee oversees SPARK, First Presbyterian School, Boy Scouts, and El Sistema. We also support the nursery, Children and Youth Ministry, and Adult Sunday School. This year's Adult Sunday School classes include Builders, Cornerstone, Evergreen, and New Beginnings.

A special word of appreciation goes to Cyndi Lockwood for her leadership in Christian Education programs for youth of all ages and her instrumental role in organizing the Easter Egg Hunt, Vacation Bible School, ADVENTure, and the many other ways she supports the ministry of First Presbyterian Church.

In 2025, First Sunday Lunch, held on the first Sunday of each month, continues to thrive and grow, a special word of thanks to those who set up and decorate the room and to the hands that prepare our meals.

Also continuing in 2025 are the Bridge Group led by Dan MacLemore and the reception honoring our high school graduates. Two of our goals this year were a Congregational App and a Church Directory, and plans for both were approved by the committee and are in the process of being implemented.

Each year we aim to provide engaging, creative and meaningful opportunities for the congregation. We welcome your ideas and suggestions as we continue to nurture the spiritual life of our congregation.

Pumpkins, **p**ins (bowling), **p**ottery, **p**rayers, **p**ageant, **p**ancakes, **p**izza, and **p**arties. Are you seeing a theme here? Our young disciples enjoyed many activities beginning with the letter **P**. We kicked our '**P**'-themed events with a Glow **P**arty. First there was **p**izza and then we moved to the **p**itch-dark gym in the basement. Here there were glowing decorations as well as glowing activities.

Another favorite "**P**" activity was enjoying a **p**ancake breakfast in our **p**ajamas, followed by **p**ainting **p**rayor clay bowls.

Our next "**P**" adventure took us downtown. Our younger disciples enjoyed **P**umpkinville in the botanical gardens while our older disciples knocked down **p**ins at Dust Bowl.

The most ambitious "**P**" event of the year was our yearly Christmas **p**ageant. Luckily, we had Collin and Erin Andrulonis' **p**rofessional talents to make this happen. The results were wonderful and this Advent experience for the kids turned into a special gift for the congregation.

All of this happened alongside our weekly Sunday School lessons with Jamie Slade, Blaine Moore, and me, Miss Cyndi. Jamie and Blaine are gifts from heaven that are truly appreciated. After the children's sermon, we have a crowd of kids coming upstairs for a quick recap of the Sunday School lesson, a quick snack, and time in the Discovery Room where there are loads of activities available for the kids to choose from.

We can't forget our Vacation Bible School where we magnified God by looking closely at his creations and doing some science experiments. Luckily, we had a guest scientist (with curly red hair) to help us with our investigations.

In short, Sunday School for youth in 2025 was a **p**erfectly **p**ositive, **p**rayerful year.

# SPARK - Support Program of Art and Reading for Kids!

---

During this past year, SPARK continued its mission of providing high-quality before- and after-school care to children and families in the Oklahoma City community. We began the year under-enrolled with 44 children in January and concluded the year with 39 children in December. While enrollment numbers were lower than in some previous years, there remains a strong and ongoing need for SPARK's services within the community, as many families experienced changes in DHS childcare assistance eligibility that limited access to support despite continued demand for care.

Throughout the year, SPARK remained focused on providing a safe, nurturing, and engaging environment for the children we serve. Students participated in a wide range of enriching experiences designed to support social-emotional growth, curiosity, and learning beyond the classroom, including field trips to the Oklahoma City Zoo, Oklahoma Children's Theatre, the Oklahoma City National Memorial Museum, the OKC Blue Zoo, the movie theater, and several swimming pool outings that promoted exploration, creativity, and community connection.

In addition to off-site experiences, SPARK proudly hosted its first annual ALL-A-DAY Family Fashion Feast, bringing children and families together for an evening of fellowship, celebration, and relationship-building. This event strengthened community partnerships and allowed SPARK to express appreciation to our families.

This year also marked an important operational milestone as SPARK partnered with Oklahoma City Public School Transportation to provide dedicated bus service for local schools, improving efficiency, safety, and long-term program sustainability.

Despite enrollment challenges, SPARK's commitment to quality programming remained strong. Staff demonstrated flexibility, professionalism, and care while continuing professional development to strengthen best practices in school-age childcare.

As we look ahead, SPARK remains committed to serving the Oklahoma City community with intention and integrity. While funding and subsidy changes have impacted enrollment, we are confident in the value of our program and will continue advocating for families while providing a safe, enriching environment where children can learn, grow, and thrive.

# Boy Scouts

---

Scouting at First Presbyterian Church is alive and well in 2025. Troop 15 is the oldest Scout Troop in Oklahoma City with 108 years of service.

In 2025, Troop 15 remained active with a full schedule of skill-building, camping, and service projects. The Troop started the year with our Scout Sunday pancake breakfast to show FPC our appreciation for its support of Troop 15. Three of our Scouts earned the rank of Eagle Scout during the year, and were recognized at a special Eagle Scout Court of Honor at the church. Another Scout had his Eagle Scout service project approved. Troop 15 has 26 Scouts, supported by 20 dedicated volunteer adults. The Troop camped at a number of sites around the state, including rock climbing at Quartz Mountain State Park, a new site for us, Osage Hills State Park that included a visit to Wallaroc, Robbers Cave State Park, Elk Lake State Park in Kansas, and our annual Thanksgiving family camp near Stillwater with Pack 469. A highlight was snow camping at 9,200 ft. elevation near Red River, NM over MLK Day weekend. The Troop had an amazing extended summer camp, traveling to a four-day stay at Grand Canyon National Park (where we camped right on the South Rim and hiked down into the Canyon!), finishing with a traditional summer camp experience at Camp Geronimo in northeastern Arizona. Several of the older Scouts participated in a high adventure backpacking program in Arizona, logging more than 30 miles in a mixed desert/canyon environment.

Scouts earned more than 50 Merit Badges in 2025, and most of the Troop achieved at least one rank advancement. Throughout the year, Troop 15 participated in multiple service projects, including assisting with Scout Sunday in February. In 2025, Troop 15 was led by Chris Deason, with Roan Pitman serving as our Charter Organization Representative (COR), and Bill Hensley as Scoutmaster.

As we enter 2026, the Troop has new adventures on tap and has already had a chilly rock climbing camp at the Wichita Mountains Wildlife Refuge near Lawton. We are planning summer camp at Philmont Scout Ranch, the national Scouting high adventure base in the mountains of northeastern New Mexico.

Thanks to the wonderful support we receive from First Presbyterian Church, Scouting is strong at Troop 15. We are grateful for this partnership and look forward to another exciting year ahead!

# First Presbyterian School

---

The year 2025 was one of steady leadership, thoughtful adaptation, and enduring commitment to the mission of First Presbyterian School (FPS). In a time of continued uncertainty across the childcare and early education landscape, FPS remained grounded in its values while responding with clarity, care, and strategic intention.

Throughout 2025, FPS served as a consistent and trusted community for children and families, prioritizing high-quality early childhood education within a nurturing, faith-centered environment. While enrollment trends fluctuated across the region due to economic pressures, staffing shortages, and shifting family needs, FPS maintained strong retention among current families and continued to welcome new students drawn by the school's reputation for excellence, warmth, and integrity.

A defining strength of the year was the dedication and professionalism of the FPS staff, whose resilience, flexibility, and collaboration helped sustain exceptionally low turnover in an industry facing widespread workforce instability. This continuity reflects the strength of our culture and shared purpose.

Families continued to express high levels of satisfaction and engagement, with strong parent partnerships remaining central to FPS's success. In July, our community experienced the heartbreaking loss of one of our beloved students, and the compassion shown by families, staff, and church leadership was later reflected in the FPS Gala, which honored her memory while raising funds to support her family.

From an operational standpoint, FPS navigated funding constraints and regulatory challenges with careful stewardship, transparent communication, and a continued focus on long-term sustainability. Despite external pressures, the school moved forward with confidence and creativity.

FPS also strengthened its alignment with the mission and values of First Presbyterian Church through deepened collaboration between school leadership and church administration.

In summary, 2025 was a year defined by endurance and purpose, leaving FPS stable, reflective, and prepared to move forward with excellence and compassion.

We extend our sincere gratitude to the First Presbyterian Church congregation for their prayers, encouragement, and support, which play a vital role in sustaining this ministry and nurturing the children and families entrusted to our care.

FPS Director

# Mission Council

---

Mission is central to the life of First Presbyterian Church of Oklahoma City. In 2025, our congregation faithfully lived out Christ's call to love our neighbors through generous giving, strong partnerships, and hands-on service locally, regionally, and globally.

The Mission Council stewarded a \$67,000 Mission budget, directing resources where they could have the greatest impact. Approximately one-fourth of these funds supported Indian Nations Presbytery, strengthening ministries across our region. Additional mission partners included The Little Free Pantry, Urban Mission, Pivot of OKC, Norman Care-A-Vans, Oklahoma Innocence Project, and Curbside Chronicle.

Hunger relief remained a significant focus. Through monthly Purple Bag Donations, members collected and delivered more than 2,100 pounds of food to Urban Mission. During the Christmas season, 185 families received food boxes and hygiene bags, assembled by over 50 volunteers from our congregation.

FPCOKC participated in all four PC(USA) Special Offerings — Christmas Joy, One Great Hour of Sharing, Pentecost, and Global Peace — contributing over \$9,000. A portion of these funds supported local ministries, including FPC-OKC's SPARK Program and the Oklahoma Innocence Project.

In response to global needs, the church provided financial support to Camino Humanitar, helping supply food and winter fuel to Ukrainians affected by the ongoing war. Members also participated in mission beyond our community: twelve adults served on a six-day disaster relief trip to Ferncliff Camp & Conference Center in Arkansas, and four adults joined other Presbyterians in the Czech Republic for an English language camp.

Hands-on service opportunities were offered throughout the year through "Reserve the Third," held on the third Saturday of each month. Volunteer activities included serving at Urban Mission, Church Under the Bridge, Restore OKC, Habitat for Humanity, Ronald McDonald House, OKC Litter Blitz, and community gardening projects, as well as building beds for Oklahoma County children in need. Members also collected winter coats and cold-weather clothing for distribution through Church Under the Bridge.

The Creation Care Team maintained the Community Garden, which served both church members and the broader community. In 2025, the team received a grant to upgrade the garden, which included 20 plots tended by 12 gardeners. Produce grown in the garden was shared with a local food pantry.

Through every partnership, donation, and act of service, First Presbyterian Church of Oklahoma City continues to be Christ's hands and feet in the world. We invite all members to prayerfully consider how they might participate in mission in the coming year.

# Board of Trustees

---

The past few years have presented numerous unanticipated challenges as the Board of Trustees has carried out its responsibility to oversee the care and maintenance of all church properties. Highlights of accomplishments in 2025 are as follows:

## Physical Plant

- Repainted the ceiling of Watchorn Hall.
- Repaired and re-leveled the elevator.
- Returned automated doors on the East side of the church to working condition.
- Replaced one of the commercial ovens in the kitchen.
- Approved two-application professional pest control throughout the church building.
- Identified major leaks and rusting supports on the cooling tower in the North parking area that is part of our cooling system. Obtained replacement quotes and voted to replace the cooling tower in 2026 before the cooling system is needed in Spring/Summer.

## Administrative

- Approved and renewed tenant contracts with FPS, Indian Nations Presbytery, and Junebug Catering. (El Sistema is a three-year contract in place until July 2027).
- Negotiated renewal of our auto insurance policy that had originally been noticed for non-renewal due to incidents involving the church vans over the preceding 18 months.
- Negotiated a buy-down of our building insurance wind/hail deductible that had increased to \$859,820. The buy-down reduced our deductible to \$100,000.
- Renewed the church's copyright license to allow for the showing of movies for "Movie Night," and viewing movies or other copyrighted materials in Sunday school and Discovery Time.
- Met with a tenant of the old Shepard Manor property that had semi-trucks coming across part of the church parking lot to make deliveries. Ultimately, the tenant left and there have been no more large delivery trucks coming on church property.

## Building Use

- Approved use by church programs including Worship, Sunday School Classes, Circle meetings, Session and Council meetings, SPARK and those of tenants (First Presbyterian School, El Sistema, Indian Nations Presbytery, and Junebug Catering), numerous other groups including Kemp concerts, TACTUS, OCU Vespers, Society of Strings, TRIAD, Boy and Girl Scouts, and additional performances and recitals.
- Through the Design Committee, coordinated the donation of some pieces of the Shepherd sisters' art to the Oklahoma Historical Society for its preservation, display, and educational use. The donated pieces were not being displayed and did not fit with church design or décor (including nudes and beach- and Southwest-themed pieces). The church retained the majority of the Shepherd sisters' art collection.

Thanks to Trustees: Harold Namminga, Mike Hancock, Bert Orza, Emily Johnson, George Gibson, John Ellis, Ginnie Tack, and Ron Grace for their dedication, perseverance, and grace required to address the frequent issues, repairs, and complaints associated with our large and aging church building and often tight budget. Thanks also to Jack Lancaster, Facilities Manager, Matt Lancaster, Assistant Facilities Manager, the RAT Pack, the Design Committee, Roane Pittman (Scout Liaison), and to the Resource Council for its support and guidance.

# Presbyterian Women

This year, Presbyterian Women continued our focus on friendship and lifting each other up through our monthly Circle meetings. Phoebe and Priscilla Circles continued to meet for study and fellowship on the second Tuesday of each month. Abigail Circle also began to meet on the second Friday evenings, which proved a more convenient time for its members to engage in laughter and support.

Through member donations and fundraisers, like our Christmas cookie mixes, you've helped support the mission projects that are near and dear to the heart of PW. We provided financial support of \$500 each to First Presbyterian School, SPARK, Urban Mission, Mobile Meals, and Socks of Love. Additionally, Presbyterian Women supported the church through hosting funeral receptions. We provide food, beverages, and set up and clean up, as requested. If you are interested in assisting with funeral receptions, please contact Lolieta Miller for more information.

If you are Presbyterian, and identify as a woman, you are already a member of PW! If you'd like to learn more about Circles, or how you can get involved, please reach out to me or the church office. We also want to express our sincere gratitude to the congregation for continued support of our efforts that help us support the mission of the Church Worldwide.

# Mobile Meals

---

As of the end of 2025, we have 30 recipients on our two routes and have served 3,132 meals in 2025. FPC is one of 55 (or more) providers in the Metropolitan Area.

The people who are currently participating in food preparation include: Rachel Boggess, Jennifer Buford\*, Gayle Cox, Lynn Cupit\*, Mary Ann Doolen, Linda Herider, Caroline Kahoe, Lolieta Miller, Nancy Myer, Bert Orza, Wayne Osmond, and David Poole\*. Steven Dean\* and James Robert Herider are cook recruits/subs! Drivers/deliverers include: Hank Birkner, Kay Brown, Scott Buxton, Steven Dean\*, Linda and son James Robert Herider, Kari Maxwell and dad Roger Scott\* and his wife Candee\*, Doug Forsman, Lolieta Miller, Blaine Moore, Bert Orza, Wayne Osmond, Richard Riggs, Steven Scott\*, and Brian Upp. Substitute drivers include Barbara Charlet. Delivery of the meals is very important because these folks have actual contact with the recipients, making sure they are all right. This contact and friendship really are equally important to the meal. Elaine Buzan has provided seasonal greeting cards. \*non-member

There are other requirements to make this ministry work: planning menus, buying food and supplies, scheduling cooks and drivers/deliverers, and keeping records. That's my job right now. Church staff members help, too.

What happens when our building is closed on Monday or Friday? On the previous meal day, we include a sack of meal and/or pantry/snack items. Nancy Myer leads this effort, recruiting family members and others to help prepare the sacks.

Funding: Mobile Meals does not receive money from the church budget. We do receive a monthly and year-end stipend from Presbyterian Women. Other donors include OKC Community Foundation which provides grants to all Mobile Meals (or Meals on Wheels) providers plus we receive individual gifts and an annual gift from the Ogden/Matheny fund of OCCF as well as private donations.

Recently, we received funds in memory of Carren MacLemore, an ardent MM volunteer, who wanted us to provide larger food portions for our recipients. To honor her desire, we are now using larger meal boxes to accommodate those larger portions. In addition to those memorial funds, Becky and Wayne Osmond are providing meal boxes for a year.

We are truly grateful for those who cook, drive/deliver, and provide funding for the continuation of this important ministry. Some have gone "above and beyond" what the ministry asks. We can certainly use more volunteers and invite anyone to visit us on a Monday or Friday morning for a cup of coffee and maybe a pastry to see just what is involved. Come to "Gayle's Kitchen" in the basement between 9:00 and 11:00 a.m. Our normal coffee time is 10:00 a.m. Things are cooking by then, and we can take a break!

# Resource Council

---

In 2025, the Resource Council was made up of four session members, the pastor and one member at large. At each meeting we had the business administrator attend as well. The RC is responsible for developing and monitoring the overall budget of the church. It also reviews the organization and operation of the staff of the church. The church began and ended the year with a small deficit.

Financially, 2025 was a challenging year for the church with unexpected facility repairs. In terms of 2025 revenues, tithes and offerings were lower than budgeted, whereas the oil and gas was higher. Our members continued to support the church with meaningful tithes and offerings for which we are very grateful.

We are grateful for the Endowment funds that provide our church with additional financial support on a quarterly basis that is sustainable. To supplement our cash balance throughout the year, the Endowment Trustees provided approximately \$112,000 per quarter in 2025. This support will continue in 2026. There are also restricted funds available for particular purposes. This support is vital for the 2026 budget, and will continue in future years.

On the expense side of the budget, the cost of the personnel of our church, like most churches, is about one-half of the total budget. However, even with cost of living raises the overall expenditures for personnel and operations came in at \$28,000 less than projected. All other expenses for the various councils balanced out for the year with property needs accounting for a \$299,000 over budget amount. Our goal for the next two years is to maintain about \$320,000 in reserves to cover any deficits.

This coming year presents its own challenges. The church's property insurance increased \$80,000 annually. In addition to that unexpected increase, the cooling tower for the building's HVAC system must be replaced at a cost of \$160,000.

This year we hired a new financial person to handle day-to-day operations, Rebekka Fox. She has really done well and provides stability and oversight of our finances. The RC depends on her and she delivers.

As the Resource Council starts the new year under the chairmanship of Larry Nichols, the council will work hard to allocate the church's resources carefully and do everything in our power to maintain a positive balance.

In summary, with God's help we will find a good direction for the resources of this church and we will rely on the generosity of each of the many members of our church to cover future unexpected expenses and remain in a strong financial position.
