**Pastor John's Summer Travel**

I am delighted to be turning in my preaching robe for my cooking apron as I travel with the senior high youth group to Montreat, NC for a youth conference. I have attended several of the conferences over the years. It is one of the best experiences our young people can have as they join in with well over a thousand other Presbyterian young people for keynotes, worship, small groups, and recreation at one of our National Camp and Conference centers in the mountains of NC. I will be leaving following worship on July 16<sup>th</sup> to join our group there. Following that week, I will be taking two weeks vacation to see my parents and spend some time on the Crystal Coast, returning to Oklahoma August 4<sup>th</sup>.

While I am away, Rev. Dan Junkin, Pastor of Hillcrest Presbyterian Church, will be on call in case of death or any other pastoral emergency. Please call the church office and they will contact Dan if a need arises. I am very excited that our own Jim Borgstadt and Danny Olvera will be preaching in my absence. Jim and Danny are both Stephen Ministers of our congregation and have both served as Deacons and Elders for our church. In addition, Jim has led the Monday Morning Bible Study for the last two years and will have recently returned from his 7<sup>th</sup> mission trip to Uganda. Danny is about to complete a Certificate in Ministry program from Austin Seminary and has decided to begin a Master of Divinity degree there so that he might continue exploring his sense of call to ordained ministry.

Thank you to all three for enabling me to leave you in good hands as I spend time with our youth and family. God bless!  
-John McKinnon

**Storm Damage Repairs Update**

As you are aware, we sustained significant damage during the straight wind storms April 28. Lippert Brothers, the contractor that originally built the sanctuary, is again our contractor. Friday, June 16 they completed phase one— stabilizing and covering the damaged window on the inside of the Sanctuary. This now allows us to occupy this space again and continue with scheduled events.

Phase two involves Willett Hauser Co. coming to remove all of the stained glass and taking it to Dallas for repairs and storage until time to reinstall. Phase three will be Lippert Brothers re-building the window structure, the limestone mullions and the steel supports to prepare for the window to be re-installed. The South facing window also sustained minor damage which will be repaired at the same time— it does not require removal. Renaissance Roofing has made a detailed inspection of our severely damaged roof and has prepared a proposal. We don't yet have a time line for completion of these repairs but we will keep you informed. -Jack Lancaster

## 100 Year Anniversary Trip

Troop 15 has taken an epic journey to honor our 100 year anniversary as a troop chartered to First Presbyterian Church of Oklahoma City. 32 scouts and sponsors spent 10 days and 9 nights exploring the Colorado Plateau. Starting by van in Oklahoma City we drove through the Texas Panhandle first seeing the Painted Desert and Petrified Forest. Camping all along the way, we stopped and hiked the Grand Canyon, explored Zion National Park, Bryce Canyon National Park, and Arches National park. We then took a raft ride down the Colorado River, starting above and floating down to Moab, UT. In Colorado we went to the Great Sand Dunes National Park. On our final night, we camped in the Kiowa National Grasslands in New Mexico.

This was a trip of a lifetime for many of these fine scouts. Everywhere we went and whatever other troops we encountered, the entire troop did themselves, the Boy Scouts, and our church proud. It was my honor to join them and to get to know the boys and some of their parents better, and to enjoy the knowledge and experience of the troop members. From the youngest to the oldest, we can be proud of this group. We have just awarded our 151st Eagle.

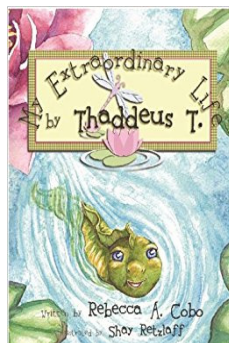

On behalf of myself, Scoutmaster Spencer Matheny, Senior Patrol Leader Cole Jamison, and Committee Chair Lance Lefel, thank you for your continuing support of our troop. In the last 5 years we have been to a World Jamboree, National Jamboree, tour of the historic east, and the beautiful west. Such an activity level can only be achieved with your tremendous backing. Here's to another 100. -John Harris, ASM, Member FPC

Reserve the 3rd community mission activity in July takes us to the Regional Food Bank, 3355 S. Purdue, Oklahoma City 73137.
