

FIRST

PRESBYTERIAN CHURCH
OKLAHOMA CITY, OKLAHOMA

The Church & You

February, 2019

Come join us as we celebrate TEAM FPCOKC!!!
You are cordially invited to join us for lunch following the
11:00 a.m. worship Sunday, February 3rd.
There is no cost for this event.

This year we celebrate all the players on our team that make the mission and ministry of FPC possible. Enjoy a Mexican inspired lunch as we celebrate our volunteers!

The youth group will be providing outstanding service and competing for your tips. All monies collected will stay in our local community to support ministries that work to alleviate hunger.

"Since 1990, young people have been leading the charge and inspiring others to collect dollars and food in the weeks leading up to the Big Game. Teaming up with local partners, these groups give 100% of donations to local charities, changing the nation's largest weekend of football into the largest weekend of caring." (souperbowl.org)

Show your team spirit! Be part of this movement that is sharing God's love with those in need. Please give generously on Super Bowl Sunday.

Recycling reminders from Creation Care Team!

Now that OKC residents have "Big Green" rolling recycle carts, there are more opportunities to recycle used materials. One of the challenges of recycling is separating out the contaminated contents from the items that can be recycled. The number one rule – **no plastic bags in the recycling cart!** Bags wrap around the processing equipment and clog the sorting machines. You CAN recycle plastic and glass bottles and containers, food and beverage cans, cartons, flattened cardboard and paperboard (milk cartons), paper, newspaper and magazines. Rinsing out food containers cuts down on contamination. Lids may be left on plastic bottles. For glass jars with metal lids, place the jar and lid separately.

Sometimes knowing what NOT to put in recycle container is helpful. Do NOT recycle cardboard or paper that is wet or greasy. Do NOT recycle Styrofoam, window glass, mirrors, ceramic or terra cotta dishes or light bulbs. According to Waste Management, approximately 25% of items placed in recycle carts should not be there. If you want to learn more, <https://www.okc.gov/departments/utilities/trash-recycling-bulk-waste/what-to-recycle>.
